"THE DOCTOR'S SLEIGH BELL PROPOSAL"

His surprise Christmas promise.

Dr. Ellen Cox goes to South America to break the shackles of her confined life. But she never imagined replacing them with bonds of desire for her new hotshot boss—Chance Freeman!

Guarded Chance, although sorely tempted, tries to keep Ellen at a distance—and when the dangers of their jobs are ramped up, he sends her home to safety. Then he realizes his mistake and heads for snowy New York, determined to win Ellen with a very special Christmas proposal!

This little snowman is my favorite ornament that I will be placing on my Christmas Tree this year!

Christmas Present Idea!!!

A World War II Flight Surgeon's Story documents Dr. Lamb Myhr's experiences as a flight surgeon during WWII when the Army Air Force was still a new frontier. Dr. Myhr's contributions were as varied as they were unprecedented as he worked as a pioneer in aviation medicine. During the three years he was involved in WWII, he served in two theatres 'keeping them flying.'
